Treasurer: Brenda  
Secretary: Liz/Lindsay

**Next Council Meeting** - October 27, 2020 @ 6pm

## **Principal Update**

- Staff/school building update
- Possible come back for virtual students in Nov.
- School Cash used for forms and School Messenger used to communicate with families
- Chromebooks coming back to school, using them in class communities with sanitization in between each use
- Nutrition Program - Possibility to deliver bins of food to each classroom, but requires a lot of manpower and cleaning (not sure if feasible). Gift cards available to families in need.

## **Questions**

- Automated soap dispensers and sinks for bathrooms an option?
- Tent/Covering for outside during the rainy or cold months?
- How many in person students to virtual students at our school?
  - Approx. 50 virtual students, 2 week turnaround time if switching from in class to virtual.
- Equipment use during break? Are teachers offering kids materials to play outside? Students are finding it hard to keep busy during fitness break.
  - Not much equipment during fitness breaks due to safety reasons. Bins of equipment used by small groups of students in class communities during gym periods outside. Possibly teach students how to safely and cooperatively play during more unstructured times.
- Halloween?
  - No direction from the school board yet. Possibly wear costumes all day.

## **Positive Points**

- We love school spirit days!
